Annual MBK Summer party July 27th!

Well, it's that beautiful time of year again, SUMMER!!

AND.., it's the Annual MBK party we host for our clients and employees every summer to show our appreciation. We really enjoy seeing everyone again and catching up.

VFW was so great to us last year and we had such a wonderful experience there that we will continue that this year.

There will be Bingo games and prizes, raffle drawings every hour as well as food and drinks, a kid's corner, and if the weather lets us, some outside games as well. Jan will be sending out your invite soon, so please don't forget to RSVP!

We will also be presenting MBK 10-year plaques to our staff to represent how grateful and proud we are.

Meet Crystal Jimenez!

“On March 1st I was honored and excited to start my new position in the ILS department working along side with Carol as an ILS coordinator. I have been in this field for 11 years as a DSP, a DSP in ILS and have supervised group homes for the past 4 years. I began my journey with MBK over a year ago as a house supervisor, over the past year I have gained respect for MBK. The hard work and personalized care I have seen firsthand is a constant reminder of why I choose this field. I can't boast enough about my excitement to continue my career with such a spectacular company.”

Meet Madyson Batta!

“I Have been in the home health care field as a DSP in a Mental Illness Group Home since 2013 and then promoted to house supervisor in 2015, I also worked ILS for MBK in 2015. I was drawn to HR in the home health care field to help with finding quality staff in a shortage since I experienced it for 5 years first hand. I wanted to help as much as I could and that was to switch my career focus. I love talking to clients and PCAs about the positives, negatives, and recommendations to make their lives the best!”
